The technical data mentioned in this book has been derived to have the best products in place. Having known that Innovation has always been the base for RR Switches products, the technical data would vary from time to time. Hence, current details should always be checked with RR Switches for accuracy.

# Luxury Redefined

Price list with effect: September 2022

# NOTES

We are a 1.25 Billion USD conglomerate in the electrical sector with a presence in over 90+ countries globally and a brand synonymous with Quality, Safety & Trust. Spread across multiple business verticals including Wiring Devices, RR Global has always endeavoured to create products of the highest quality using the latest in innovative technology.

Our vast range of Switches, Sockets, Modular Switch Plates & Accessories for both home & office use are crafted with seamless precision and meticulous attention to detail and adhere to the highest international safety standards, ensuring you get only the most efficient, reliable, and long-lasting products at the most competitive price.

Our products are RoHS compliant and tested for over 3 Lakh operations and come in a variety of colours and materials including wood, chrome, metal, leather amongst others. Come, experience the finest range of Switches that money can buy.
